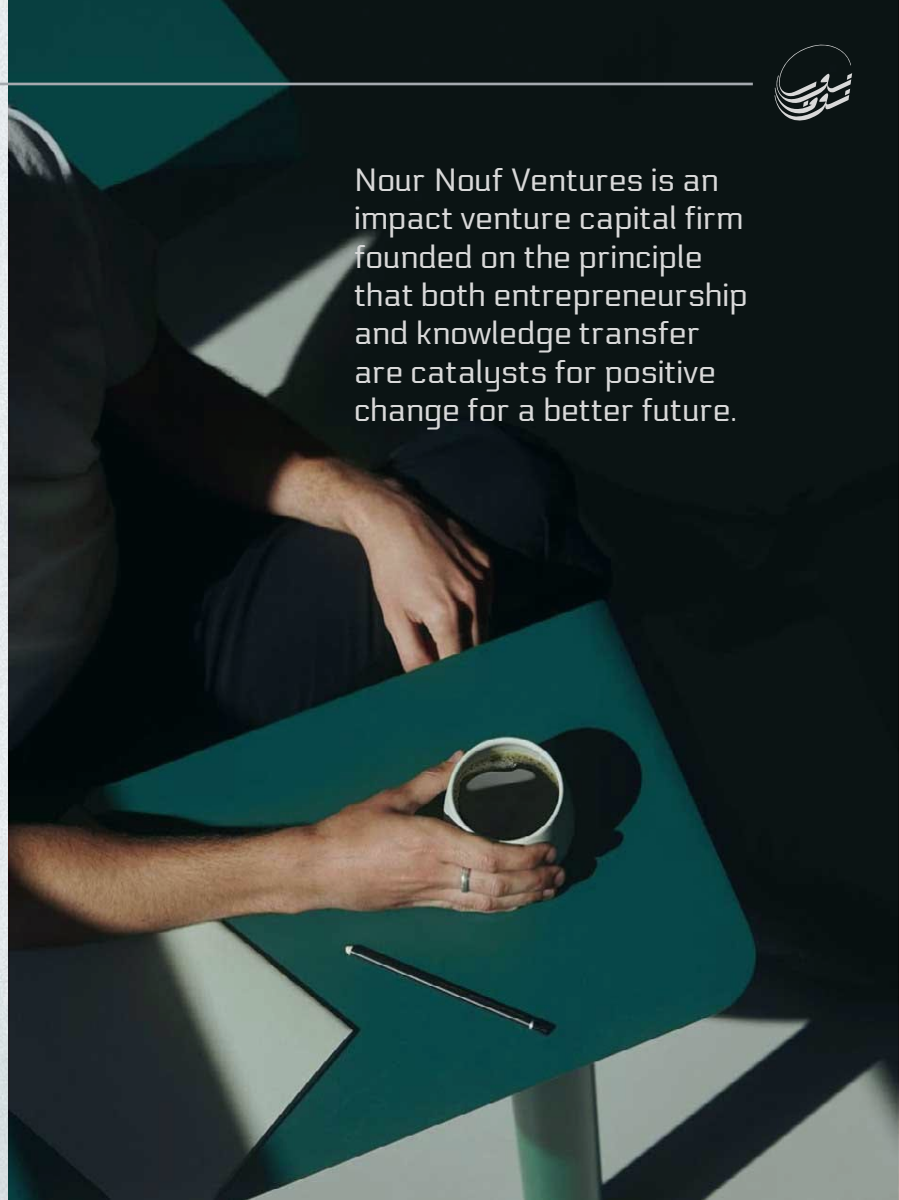
WHO WE ARE

Founded in 2019 in Jeddah, Saudi Arabia, we support scalable and sustainable solutions through impact investments in emerging economies, complemented by investments in established technology companies abroad, aligned proudly with Saudi Vision 2030 and the UN SDGs.

We also strengthen Saudi Arabia's entrepreneurial ecosystem by providing co-working spaces for startups and driving community-focused CSR initiatives that promote localized knowledge and growth.



Nour Nouf Ventures is an impact venture capital firm founded on the principle that both entrepreneurship and knowledge transfer are catalysts for positive change for a better future.

OUR FOUR PILLARS

OF IMPACT INVESTING

Knowledge Transfer

We emphasize the importance of knowledge transfer in impact investment, ensuring that insights and best practices are shared among entrepreneurs.

Sustainable Success

At Nour Nouf Ventures, we believe that impact investment in businesses prioritizing sustainability alongside financial performance will achieve greater success than those focused solely on profit.

Nurturing Innovation

By nurturing innovative startups, we aim to foster a culture of sustainability and social responsibility, aligning with and contributing to the transformative vision of Saudi Arabia Vision 2030.

SDG Impact

We are committed to creating scalable solutions, which we align with the core principles of the United Nations Sustainable Development Goals (SDGs).

KEY METRICS

These key metrics reflect our impact investment strategy, and we are committed to continuously expanding them.

SUSTAINABLE DEVELOPMENT GOALS (SDGs)

The Sustainable Development Goals are a set of **17 global goals** established by the United Nations under the 2030 Agenda for Sustainable Development. These goals are interconnected and aim to create a more sustainable and equitable world for current and future generations.

We're proud that our portfolio is aligned with 10 of the 17 SDGs through our strategic investments. These goals reflect our commitment to sustainable practices and positive social impact.

OUR KNOWLEDGE TRANSFER & VALUE CREATION SYSTEMS

Catalyzing Innovation through Knowledge Sharing

We actively promote the exchange of insights and expertise across our portfolio, enabling startups to benefit from best practices and collective learning.

Enhancing Entrepreneurial Growth

By embedding knowledge transfer at the core of our investment approach, we empower founders with the tools and strategies needed to scale their ventures effectively.

Strategic Partnerships for Value Creation

Through our partnerships with both global and local funds, we unlock greater opportunities for our portfolio companies, offering them access to international funding channels and top-tier industry expertise.

Sustainable Value through Expertise

Our focus on knowledge transfer helps create long-term value for businesses by ensuring they are equipped with the expertise required to navigate challenges and capitalize on opportunities.

OUR CO-WORKING SPACE

Nour Nouf Ventures offers an affordable co-working space tailored to support pre-investment stage companies, providing the resources they need to grow and reach their first investment round.

Entrepreneurs can focus on their work in a quiet, productive environment, in our prime location at Al Beutat Business Park in Jeddah, Saudi Arabia, while expanding their networks.

By supporting pre-investment stage companies, Nour Nouf Ventures plays a key role in advancing Saudi Arabia's entrepreneurial ecosystem, aligning with Saudi Arabia Vision 2030 to foster innovation and sustainable economic growth.

COMMUNITY-FOCUSED

CSR

Nour Nouf Ventures is deeply committed to social responsibility, actively supporting local initiatives in its key areas of focus.

We play a vital role in building and empowering our community by providing resources for existing projects, creating unique volunteering opportunities, and supporting social causes.

Our efforts emphasize social development, non-profit organizations, commissioned research studies to promote knowledge transfer, and sponsorships, all aligned with fostering meaningful change and growth within the community.
