THE GREATER GOOD AND TO BE RESPONSIBLE FOR
FUTURE GENERATIONS

ABOUT

NOUR NOUF VENTURES

Nour Nouf ventures is an impact-based private VC based in Saudi Arabia. With a focus on investing in knowledge in general, our portfolio covers several sectors.

We invest in startups and early-stage companies as well as businesses in their growth cycles with an eye on enriching the local digital content as well as knowledge transfer. Our investments are spread both regionally and globally.

NNV

PURPOSE AND GOALS

NNV funds the next generation of founders to build strong and profitable businesses. NNV main objective is to enable founders to align their values and mission with their ownership and financial models.
